

REMARKS

As required by the Examiner, the reference to a hyperlink has been removed from the specification at page 7, lines 29-30. The sl-microtest web site originally referenced in the specification has been renamed and automatically remapped to the Molecular-Machines web site so no new matter is added to the application.

CONCLUSION

In view of the foregoing, Applicants believe all claims now pending in this Application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at (925) 944-3320.

Respectfully submitted,

Charles E. Krueger
